

Dear Mark,

Per our conversation on the 13<sup>th</sup> of January, you referred to discovery, the adjudication trial and termination of my parental rights trial.

I ask you - how could I possibly have a fair trial (of either trial) when Paul amann didn't give discovery to both attorneys (Adjudic. + Term) till a couple of days before Both trials started? How

could anyone prepare - they were not!! So I did not have a fair trial in either case.

Paul amann manipulated the Judge (not Johnson) every step of the way. When DCAs wanted to give my children back Paul amann refuses hearing to do so.

Here is the proof of discovery - according to the rules of procedure - Paul didn't give us a chance. He

also told Liz Medina (Cramma Specialist from DCF) to not give me my Gramma report till September 17<sup>th</sup> 2007 the 1<sup>st</sup> day of my termination of my parental rights trial - 3 people heard her tell me this.

OCPO did an investigation (completed Sept. 11<sup>th</sup> 2007) that states that neither child Jordan and Leigh should never have been removed from me.

Sincerely + Respectfully  
Lisa Bierly

Thankyou for seeing me in January I wish I could have spoken to you by myself so I could tell you what I really wanted to say - Wayne kind of took over. Also, something

else disturbs me - el have  
had a Utah Bar complaint  
against Paul Amman for 2 years

now this month and nothing  
has been done - could you  
enlighten me on this and  
this long delay in action.

Please reply,

Lisa
