Re: Treatment of Parker Jensen

Dear Drs. Lewy, Weaver and Axler,

We have been informed by counsel for the parents that Daren and Barbara Jensen intend to enter their son, Parker Jensen, into treatment at the Burzynski Clinic. Please be advised that on Friday, August 8, 2003, Judge Robert S. Yeates issued a warrant placing Parker in the custody of the State of Utah. A copy of the warrant is attached to this letter.

Thus far, caseworkers for the Division of Child and Family Services have been unable to locate Parker and therefore, we felt it was important to inform you that the State of Utah, Division of Child and Family Services does not consent to Parker receiving treatment at the Burzynski Clinic. Should the Jensens bring Parker to Houston for treatment, we request that you contact us immediately. Under no circumstances should you administer any form of treatment to Parker at this time.

Sincerely,

Susan Eisenman
