Policies:

Call from Lisa. CW told Lisa regarding the letter from her father, that if she didn't want him to know that the children were in DCFS custody, that Paul Amann had suggested she tell him that the landlord wanted proof that she was going to be able to pay her rent. CW told Lisa that she knew her dad didn't know about Leigh, and that it wasn't DCFS's place to inform him of that. Lisa asked who told her her dad didn't know about Leigh? CW told her that Bonnie had told her. Lisa asked CW about the visit on Tuesday and why it was only for 2 hours. CW explained that Katrina from the GAL's office was wanting to come to the visit with Leigh in her home to assess the visit, and be able to report back to Liz Knight so further visitation plans could be made. Lisa was upset about someone coming into her house, and refused to have Katina come. CW told Lisa that she would document and report back to the GAL that she is refusing to have Katina come into her home. (Lewis, Kellie D 26Mar01)
