

TOWN MEETING

on Parental Rights!

Date/Time: Saturday, November 22, 10–11:30 AM

Location: Weber County Library (Ogden Branch)
Auditorium, 2464 S. Jefferson Ave.

Invited: Citizens, voters, and parents of Utah!

What is going on? Innocent families are being over-powered and victimized by our own government agencies!

Recent publicized stories of abuse by our state government against innocent families (Jensens, Bierlys, etc.) prove that we have failed to mind the store for too long.

Why is the family under such heavy assault? What has gone wrong with our laws and state agencies? And what can we do to restore sanity to our government?

Come hear from family rights experts and DCFS victims. We can't afford not to do something. Come stand up for families before the ones you love are victimized.
